Citizens Encouraged to Return Survey

If you were among the 1400 residents who received a Lynchburg Citizen Survey, you are encouraged to complete and return it as soon as possible. The survey was mailed to a statistically valid number of households, 350 in each of the four wards. This year, residents will also have the option to complete the survey online. The survey is anonymous, and the final reports include geographic and demographic comparisons as well as benchmarking data with similar sized cities.

City Council and staff will receive the results of the survey in late June or early July, and a workshop will be held to discuss how to best utilize the results of the survey in planning for the community's future.

Congratulations, 2015 Citizens Academy Graduates!

LYNCHBURG CITY SCHOOLS

Online Registration For 2015-2016 School Year

When:

Opens for all students on July 6

Why:

To make the registration process faster and more efficient, both for families and for school staff. Through online registration, parents can now register multiple students all at one time. While you will still be required to attend registration day at each of your child's schools, you no longer have to fill out sheet after sheet of paperwork. Your information is saved until you require changes to be made.

How:

Log on to www.lcsedu.net and click on the "Online Registration" link. If you do not have internet access, contact your child's school or call 515-5000 to arrange for a time to register at one of our schools.
